

2023 COMMUNITY BENEFIT REPORT

The University of Kansas Health System St. Francis Campus in Topeka is proud to be a part of a long legacy of high quality, compassionate care. St. Francis Hospital began serving its community in 1909 as the mission of a group of Catholic nuns who rose to meet a need.

Today, St. Francis Campus is jointly owned by The University of Kansas Health System and Ardent Health. It has 378 licensed inpatient beds, 21 primary and specialty care clinic locations – including a cancer center location in partnership with The University of Kansas Cancer Center, and a history of technological advancements and dedicated staff.
